COMMUNITY INITIATIVES PROGRAM

The Centre offers free Community programs for women and their children to enjoy throughout the year (e.g. playgroups, language classes etc.). These programs do not require a paid membership to participate. To be fair to those participants on waiting lists, we would appreciate that you commit to attending each activity on a regular basis. If you do not think you can attend regularly, please leave the spot for someone else to register, so they can get the support they need.

Important notice: Participants failing to attend a Community Initiatives Program for 2 consecutive weeks and have not notified the coordinator in advance, will have their registration automatically forfeited.

It is the participants' responsibility to contact the Administrative Assistant by email (office@wiwc.ca) prior to or immediately after the absence, should they wish to maintain their registration. Upon review of the cause of the absence (illness, travel, unforeseen family emergency etc.), the Centre will decide to maintain or not the registered participant in the program.
